Description

We are proud to announce our new 576Z 2000W. Zero emissions and zero fuel necessary our 576Z 2000W is ready for the road! Aggressively styled, not only is this bike economic but a blast to ride as well as looking great while doing it. Fully automatic transmission means it is one of the most user-friendly bikes out there. Low seat height means lower center of gravity which inspires more confidence in newer riders. With a charge time of just 8 hours, you can expect an upwards range of 40 miles making it perfect for bar hopping or just commuting to school or work. With a top speed of 36 miles. This is the perfect bike for beginners looking to start riding but are more safety concerned. The simplicity of the design means no need to learn manual shifting simply hop on, twist, and go and leave the pump behind!

Features

1.Durable Seating:

Have an enjoyable ride resting on this very comfortably padded seat.

2.Rear-View Mirrors:

Wider and brighter mirrors and blinkers allow for great visibility and let others clearly know when you are changing lanes.

3.Floorboard:

The resistant material will allow you rest your foot.

Assembly Information

Our vehicles come 90% assembled at the factory and fully tested prior to shipping. There is some parts assembly required depending on which model purchased.

NO MAJOR ASSMEBLY REQUIRED!!

I'M EXTREMELY GLAD THAT I DIDN'T HAVE TO DO MAJOR ASSEMBLY. I LOOKED AT A COUPLE OF DIFFERENT SITES AND STORES AND THEY ALL CHARGE ME WELL OVER \$250 FOR THE ASSEMBLY. THIS TO ME WAS COMPLETELY RIDICULOUS! NO COMPLAINS ABOUT THIS HERE PRODUCT. I PURCHASED THE GREEN COLOR AND THE PICTURE DOESN'T DO IT JUSTICE. THE BIKE ITSELF TURNS ON JUST FINE AND ...Read More

very old school

I don't mind how old school this bike looks just because i dig the retro looks. Works great and I've had it for a couple of months already.

Solid 4

I give this bike a solid 4...i don't give it a 5 just because it's none named brand but this is a high quality item for what you actually pay for.

Assembly

The fact that the assembly is pretty much done is very helpful and it helps my pocket not needed to take it else where to get it done. I gotta say I have no complaints yet.
